

PRODUCT INSTRUCTIONS AND WARNINGS

Watersports can be safe and fun for all levels of enthusiasts. The Operator's Manual is presented to enhance your enjoyment of the sport. It is intended to alert you to some of the potential dangerous conditions that can arise in all watersports.

The binding, even if properly adjusted, may or may not release in a fall which could result in injury to the ankle, knee, leg or other parts of the body.

To reduce your risk of injury or death, follow these guidelines:

- Use correct size ski and binding. Binding should be adjusted for a snug, not tight, fit.
- Wet binding and feet with water before use.
- Inspect skis, fins and bindings for loose screws, wear, cracks, delamination or tearing.
- Check foot straps (bindings) and fins prior to each use to insure they are fastened securely to the ski.
- The faster you ski, the greater your risk of injury. Exercise additional caution when skiing at competitive speeds. Beginners should be towed at slower speeds that allow for reasonable control and stability.
- Water skiing instruction is recommended before use. Instruction will teach general safety guidelines and proper skiing techniques, which may reduce your risk of injury.

HIGH PERFORMANCE SKI

WARNING

Use of this product and participation in the sport INVOLVES INHERENT RISKS OF INJURY OR DEATH. To reduce risks:

- WATERSKI IN CONTROL and at an appropriate speed for your ability level. The faster you ski the greater the risk.
- USE CORRECT SIZE SKI AND BINDING. Wet binding and feet with water only.
- Even when properly fitted and performing as designed, ski bindings will not release from the ski. Your feet may or may not come out of the bindings in a fall which can result in injury.
- Land, dock starts, or use of man-made features (which include but are not limited to: rails, sliders, ramps, jumps, and kickers) increase risk.
- USE ONLY ON WATER with a qualified watercraft driver and observer.
- Do not use in shallow water or near shore, docks, pilings, swimmers, other watercraft or any other obstacles.
- ALWAYS WEAR A PROPERLY FITTED LIFE JACKET (PFD) approved by your country's agency, USCG Type III, ISO, etc
- ALWAYS READ USER'S MANUAL before use.

HIGH PERFORMANCE SKI BINDING

WARNING

HIGH PERFORMANCE BINDING: FOR USE BY EXPERIENCED SKIERS ONLY.

Use of this product and participation in the sport INVOLVES INHERENT RISK OF INJURY OR DEATH. Even when properly fitted and performing as designed, ski bindings will not release from the ski. Your feet may or may not come out of the bindings in a fall which can result in injury. To reduce risks:

- Binding should be properly fitted for a snug, not tight, fit.
- Only use bindings fitted to you.
- Read User's Manual before use.
